WINTER 2010 IS THE YEAR OF KINGDOM DOMINION AND IMPACT

A TRIBUTE TO ORAL ROBERTS & BILLY JOE

January 24, 1918 – December 15, 2009

Dr. Oral Roberts departed, graduated, was promoted to the Kingdom beyond earth on December 15, 2009. He lived a life of Faith, Hope & Victory. He was Chancellor of Oral Roberts University, Tulsa, OK. He was a healing Evangelist to the Nations and the world-at-large. Many saw Oral as a great **General of the Faith, an Icon of the Faith** and a symbol of **Hope and Miracles** performed throughout the world.

He achieved much in his 91 years here on earth. He built a university, Prayer Tower, the City Of Faith hospital and numerous other entities in his life time. **“More than any other person, he should be credited with starting the charismatic movement in main-line religion,”** said Vinson Synan, dean of the divinity school at Regent University in Virginia and a historian of the Pentecostal movement. In the 1970’s, Roberts’ prime-time TV specials drew 40 million viewers. He opened his program with “Something Good is Going to Happen to You.” He impacted the lives of many. We are blessed that we could call Dr. Oral Roberts **friend, fore-runner, fighter, and father in the faith.**

CARACAS, VENEZUELA

Dr. ‘K’ was invited as a guest lecturer at the Evangelical & Martin Luther King University in Caracas, Venezuela, November 12-17, 2009. He facilitated a Homiletics modular for 40 second year students at the Graduate School of Theology & Counseling. He also facilitated a leadership seminar for the university’s staff, faculty and mentors. The seminary is the vision and fulfillment of Dr. Jim Ammerman, President Emeritus of Chaplaincy of Full Gospel Churches in Dallas, TX. Dr. Esteban Montilla is the President and General Carlos & Miriam Bazzanella are the directors of the seminary.

April 23, 1952 – November 22, 2009

Billy Joe Daugherty departed, graduated and was promoted to the Kingdom beyond earth on November 22, 2009. A memorial service was held Monday, November 29th at the ORU’s Mabee Center. Over 11,000 people attended. He and Sharon pastored Victory Christian Center, Tulsa, OK for over 30 years. He was a son, husband, father, pastor, visionary, friend, mentor, **bridge-builder, soul-winner, a world-changer** and mostly one who loved all people.

Dr. ‘K’ first became a member of Victory Christian Center in September 1986 while attending Oral Roberts University. He esteemed Billy Joe as one of his spiritual fathers, a mentor and a man who imparted much to him and impacted his life. He has been a minister affiliated with the Victory Fellowship of Ministries for over 23 years.

He shares some of his fondest memories of Billy Joe. First, Billy Joe’s unique laughter. Second, traveling with Billy Joe, Sharon and a team of 84 people from Victory to Lima, Peru in June 2002. Billy Joe ministered to a crowd of over 14,000 nightly. Dr. ‘K’ attributes the apostolic and humanitarian works he does in the nations to Billy Joe’s encouragement and networking him with other leaders. Third, while a chaplain in the U. S. Air Force, Billy Joe provided baptism robes for him to baptize the over 300 airmen who accepted Christ as Savior during basic training. Lastly, Billy Joe sowed seed for him to travel to Nigeria in 2004. That seed resulted in a great harvest of souls for the Kingdom. Dr. ‘K’ coordinated and spearheaded a crusade in Feb 2005 whereas 50,000 people attended and many received Jesus.

Billy Joe, **“How beautiful are your feet that brought good news, hope, and victory to many.”** To Sharon, Sarah & [Caleb], Ruthie & [Adam], John, Paul, Iru, mother, brothers, other family members, the VCC family, missionaries around the world, Victory Bible Institute and World’s Mission graduates, host of friends, and spiritual son & daughters, be comforted and encouraged during this time of loss and gain!

Billy Joe was an **“Angel in our midst on earth.”** Billy Joe’s life is a seed that will produce a great harvest in this generation and the generations to come.
